

# Stoke College Catering Newsletter

Issue1 September 2011

## Introducing our new catering service

As of September 2011 our school catering will be brought in house. This will now be managed by the bursar but still run by Claire and Diane with the assistance of Gill and our boarding assistants.

Our exciting new menu will be displayed throughout the school and on the website on a weekly basis; the menu will include options for breakfast, lunch and tea. Tea will be served in a less formal fashion with various 'build your own' nights and food sampling sessions.

Pupils can be booked in for breakfast and tea clubs for a small additional charge. If you would like to take advantage of this service please speak to the school receptionist as all meals must be booked in advance as our produce is ordered in on a daily basis.

## Supplier news

We are currently working with local suppliers to provide locally sourced produce including seasonal fruit and vegetables from Suffolk and Norfolk farms, sustainably caught fish and farm assured meats from the surrounding areas. All of the companies we use are based in the East Anglia region. Watch this space for more supplier details.

We look forward to your feedback on our new service, questionnaires will be sent out over the coming weeks, please give us your views so we can make your school catering facility even better.

Look out for theme days, competitions and food tasting sessions coming soon...
